ANNOUNCEMENT

CONTINUING CONNECTED TRANSACTIONS IN RELATION TO THE

- (1) COX MASTER PURCHASE AGREEMENT; AND**
- (2) G FOOT MASTER PURCHASE AGREEMENT**

Reference is made to the Announcement and the Delay Announcement. The Board wishes to provide an update on the arrangements in relation to the Group's merchandise transactions with COX and G Foot.

The Board is pleased to announce that on 5 May 2016, the Company entered into the COX Master Purchase Agreement and the G Foot Master Purchase Agreement to better regulate its merchandise transactions with COX and G Foot respectively going forward.

As at the date of this announcement, each of COX and G Foot is a connected person of the Company by virtue of it being a subsidiary of AEON Co, the controlling shareholder of the Company. Accordingly, the transactions contemplated under the COX Master Purchase Agreement and the G Foot Master Purchase Agreement constitute continuing connected transactions of the Company under the Listing Rules.

As the applicable percentage ratios as defined under Rule 14.07 of the Listing Rules in respect of the proposed annual caps under the Master Purchase Agreements (i.e. the COX Master Purchase Agreement, the G Foot Master Purchase Agreement and the TopV Master Purchase Agreement), when aggregated under the Listing Rules, are more than 5%, the transactions thereunder are subject to the reporting, announcement, annual review and independent shareholders' approval requirements under Chapter 14A of the Listing Rules.

As disclosed in the Delay Announcement, the Company expected that the despatch of the Circular containing, among other things, details of the Master Purchase Agreements, a letter from the Independent Board Committee, a letter from the independent financial adviser, and a notice to convene the GM will be postponed to a date not later than 5 May 2016. As the Company requires more time to finalize the information to be included in the Circular, the Company expects that the despatch of the Circular will be further postponed to a date not later than 19 May 2016.

1. INTRODUCTION

Reference is made to the announcement of the Company dated 31 March 2016 (the “**Announcement**”) and the announcement of the Company dated 20 April 2016 (the “**Delay Announcement**”).

The Board wishes to provide an update on the arrangements in relation to the Group’s merchandise transactions with COX and G Foot. The Board is pleased to announce that on 5 May 2016, the Company entered into the COX Master Purchase Agreement and the G Foot Master Purchase Agreement to better regulate its merchandise transactions with COX and G Foot respectively going forward.

2. TERMS OF THE COX MASTER PURCHASE AGREEMENT

Date

5 May 2016

Parties

- (i) the Company; and
- (ii) COX.

Nature of Transactions

The Purchasers (i.e. the Company and any of its subsidiaries) will purchase a variety of fashion and household merchandise from COX, which would then be sold to retail customers by the Group at its general merchandise stores and supermarket stores.

Pricing

The sale and purchase of merchandise between the parties will be charged on a cost-plus basis, representing all costs incurred in relation to the supply of the merchandise, including direct costs such as merchandises costs, freight costs, operational costs and other indirect or common costs allocated on a revenue or other equitable basis, plus a mark-up rate of not more than 15% of such costs. Subject to compliance with the Listing Rules, the parties may review and amend such mark-up rate on an annual basis by mutual consent.

The prices offered by COX shall be no less favourable than (i) prices available in the market for similar merchandises and (ii) prices offered by COX to its other purchaser(s), if any, save and except certain variance arising out of differences in relative location and actual freight costs applicable to a purchasing party.

Rebates

COX may, taking into account factors such as purchase volume, promotions from manufacturers, its budget, results and profits, grant rebates to the Purchaser(s) (as agreed mutually between the relevant parties) from time to time.

Purchase Contracts

The Purchaser(s) shall enter into specific purchase contracts with COX, which adopt the terms and conditions set out in the COX Master Purchase Agreement and the standard terms and conditions of the relevant Purchaser prevailing at the time of execution of such purchase contract. The purchase contracts will set out detailed terms (e.g. the payment terms) of the sale and purchase of merchandise.

Further Assistance

For the purposes of facilitating the Group's sourcing of merchandises, which would enable the Group to efficiently provide its general merchandise stores and supermarket stores with required types and amounts of merchandise and maintain the competitiveness of its business, the Purchasers and COX shall, as may be practicable in the circumstances, share with each other (on a strictly need-to-know basis) information relating to the purchasing, selling, stocking, pricing and specifications of each other's merchandises. COX shall, upon request by members of the Group and within a reasonable period of time, further provide such market information and data as may be required. Both the Company and COX have undertaken to keep all such information and data received or exchanged confidential.

In addition, the Purchasers shall have the right to audit, cross-check and verify the books, records, financial practice, business and operational flow and practice, electronic/computer system(s) of COX.

Term

The term of the COX Master Purchase Agreement shall be a period of 3 years ending 31 December 2018, provided that the parties to the COX Master Purchase Agreement may, subject to compliance with the Listing Rules, renew the COX Master Purchase Agreement. The COX Master Purchase Agreement shall take effect as of 1 January 2016.

Termination

The COX Master Purchase Agreement may be terminated by 3 month's prior written notice by either party. On termination, each purchase contract then in force shall nevertheless continue in full force and effect for the remainder of the term of such purchase contract, unless terminated in accordance with the terms of such purchase contract.

3. TERMS OF THE G FOOT MASTER PURCHASE AGREEMENT

Date

5 May 2016

Parties

- (i) the Company; and
- (ii) G Foot.

Nature of Transactions

G Foot will provide a variety of shoes merchandise to the Purchasers for sale to retail customers on a consignment basis at general merchandise stores of the Group.

Pricing

The Purchaser(s) shall be entitled to a commission out of the proceeds from its sale of shoes merchandises provided by G Foot. The amount of such commission shall be no less than 10% to 16% of the sales proceeds and no less favourable than the commission rate offered by G Foot to its other consignee(s), if any. Subject to compliance with the Listing Rules, the parties may review and amend such rate of commission by mutual consent.

Rebates

G Foot may, taking into account factors such as purchase volume, promotions from manufacturers, its budget, results and profits, grant rebates to the Purchaser(s) (as agreed mutually between the relevant parties) from time to time.

Purchase Contracts

The Purchaser(s) shall enter into specific purchase contracts with G Foot, which adopt the terms and conditions set out in the G Foot Master Purchase Agreement and the standard terms and conditions of the relevant Purchaser in relation to the procurement of merchandise for sale on a consignment basis prevailing at the time of execution of such purchase contract. The purchase contracts will set out detailed terms (e.g. the payment terms) of the consignment.

Further Assistance

For the purposes of facilitating the Group's sourcing of merchandises, which would enable the Group to efficiently provide its general merchandise stores and supermarket stores with required types and amounts of merchandise and maintain the competitiveness of its business, the Purchasers and G Foot shall, as may be practicable in the circumstances, share with each other (on a strictly need-to-know basis) information relating to the purchasing, selling, stocking, pricing and specifications of each other's merchandises. G Foot shall, upon request by members of the Group and within a reasonable period of time, further provide such market information and data as may be required. Both the Company and G Foot have undertaken to keep all such information and data received or exchanged confidential.

In addition, the Purchasers shall have the right to audit, cross-check and verify the books, records, financial practice, business and operational flow and practice, electronic/computer system(s) of G Foot.

Term

The term of the G Foot Master Purchase Agreement shall be a period of 3 years ending 31 December 2018, provided that the parties to the G Foot Master Purchase Agreement may, subject to compliance with the Listing Rules, renew the G Foot Master Purchase Agreement. The G Foot Master Purchase Agreement shall take effect as of 1 January 2016.

Termination

The G Foot Master Purchase Agreement may be terminated by 3 month's prior written notice by either party. On termination, each purchase contract then in force shall nevertheless continue in full force and effect for the remainder of the term of such purchase contract, unless terminated in accordance with the terms of such purchase contract.

4. THE CAP AMOUNT

As disclosed in the Announcement, the historical amounts of the transactions between members of the Group and the Merchandise Providers for each of the 3 years ended 31 December 2015 were approximately HK\$278,000,000, HK\$260,000,000 and HK\$294,000,000 respectively, of which transactions with the TopV Group accounted for approximately 98% and transactions with COX and G Foot accounted for approximately 2%.

Given the similarity in nature of the transactions under the Master Purchase Agreements, and that the Merchandise Providers are all subsidiaries of AEON Co, the COX Master Purchase Agreement and the G Foot Master Purchase Agreement have been aggregated with the TopV Master Purchase Agreement.

The proposed annual caps for the continuing connected transactions under the Master Purchase Agreements for 3 years ending 31 December 2018, are the same as disclosed in the Announcement and set out below for easy reference:

Period	Proposed annual cap (HK\$)
For the year ending 31 December 2016	402 million
For the year ending 31 December 2017	590 million
For the year ending 31 December 2018	815 million

In arriving at the proposed annual caps, the Directors have taken into account various factors including the historical transaction amounts between the Group and the Merchandise Suppliers (i.e. the purchase price paid by the Group for transactions with the TopV Group and COX and the commission received by the Group from G Foot under their consignment arrangement), historical growth in the retail business of the Group, expected business growth of the Group, possible further increase in purchases of the Group in light of the expected opening of new stores by the Group in the coming 3 years (depending on its business expansion plans, operational needs), and the fluctuation in foreign exchange rate(s).

5. REASONS FOR AND BENEFITS OF THE CONTINUING CONNECTED TRANSACTIONS

As mentioned in the Announcement, the Group has been engaged in merchandise transactions with the Merchandise Providers in its ordinary and usual course of business.

In view of the Group's strategy to continue and enhance co-operation with the Merchandise Providers and the Group's further expansion plans in China, in addition to the TopV Master Purchase Agreement, the Company has also entered into the COX

Master Purchase Agreement and the G Foot Master Purchase Agreement with COX and G Foot respectively, to better regulate their existing merchandise transactions and determine a set of uniform terms for future transactions. The entering into of such master agreements should allow the Group to achieve economies of scale and differentiations from competitors.

The Directors, other than the independent non-executive Directors who will express their opinion in a separate letter to be included in the circular, are of the view that (i) entering into of the COX Master Purchase Agreement and the G Foot Master Purchase Agreement is in the ordinary and usual course of business of the Group; (ii) the terms of the COX Master Purchase Agreement and the G Foot Master Purchase Agreement are on normal commercial terms; and (iii) the terms of the COX Master Purchase Agreement and the G Foot Master Purchase Agreement and the proposed annual caps in respect of the Master Purchase Agreements are fair and reasonable and in the interests of the Company and its shareholders as a whole.

At a Board meeting convened to consider the COX Master Purchase Agreement and the G Foot Master Purchase Agreement, Mr. Yoshiaki Mizushima, Mr. Hideaki Yajima, Ms. Yuki Habu and Mr. Shinya Wako were regarded as potentially having a material interest in the Master Purchase Agreement and accordingly abstained from voting on the relevant resolutions.

6. LISTING RULES IMPLICATIONS

As at the date of this announcement, each of COX and G Foot is a connected person of the Company by virtue of it being a subsidiary of AEON Co, the controlling shareholder of the Company. Accordingly, the transactions contemplated under the COX Master Purchase Agreement and the G Foot Master Purchase Agreement constitute continuing connected transactions of the Company under the Listing Rules.

As the applicable percentage ratios as defined under Rule 14.07 of the Listing Rules in respect of the proposed annual caps under the Master Purchase Agreements (i.e. the COX Master Purchase Agreement, the G Foot Master Purchase Agreement and the TopV Master Purchase Agreement), when aggregated under the Listing Rules, are more than 5%, the transactions thereunder are subject to the reporting, announcement, annual review and independent shareholders' approval requirements under Chapter 14A of the Listing Rules.

7. GM

The Company will convene the GM to seek approval from the Independent Shareholders in respect of the transactions contemplated under the Master Purchase Agreements and the proposed annual caps. In view of AEON Co's interests in the Master Purchase Agreements, AEON Co and its associates are required to abstain from voting on the relevant resolutions at the GM.

An Independent Board Committee of the Company will be formed to advise the Independent Shareholders in respect of the transactions contemplated under the Master Purchase Agreements and the proposed annual caps. An independent financial adviser will be appointed to advise the Independent Board Committee and the Independent Shareholders in this regard.

8. FURTHER DELAY IN DESPATCH OF CIRCULAR

As disclosed in the Delay Announcement, the Company expected that the despatch of the Circular containing, among other things, details of the Master Purchase Agreements, a letter from the Independent Board Committee, a letter from the independent financial adviser, and a notice to convene the GM will be postponed to a date not later than 5 May 2016.

As the Company requires more time to finalize the information to be included in the Circular, the Company expects that the despatch of the Circular will be further postponed to a date not later than 19 May 2016.
