### **ANNOUNCEMENT REVISION OF ANNUAL CAPS FOR CONTINUING CONNECTED TRANSACTION NEW POINT CARD SERVICE AGREEMENT**

Reference is made to the announcement of the Company dated 18 December 2014 in relation to the Service Agreement entered into between ASC and AIS.

In view of the increase in: (i) the number of new members recruited; (ii) amount of member data processed in each month; and (iii) the sales amount arising from the purchases made by members of the New Point Cards in the period from 1 January 2016 to the date of this announcement, the Directors expect that the Original Annual Caps will be exceeded and therefore revised the Original Annual Caps.

As the applicable percentage ratios as defined under Rule 14.07 of the Listing Rules for the Revised Annual Caps in respect of the Service Agreement exceed 0.1% but are below 5%, the transactions under the Service Agreement are subject to annual review and all disclosure requirements under the Listing Rules and are exempt from shareholders' approval requirements under the Listing Rules.

#### **1. BACKGROUND**

Reference is made to the announcement of the Company dated 18 December 2014 in relation to the Service Agreement entered into between ASC and AIS.

Pursuant to the Service Agreement, AIS provides services in relation to the establishment and maintenance of the New Point Cards and other related services to ASC, and ASC pays service fees to AIS in respect of the services provided under the Service Agreement.

The Service Agreement has a term of three (3) years, which commenced from 18 December 2014 and shall end on 17 December 2017. The key terms of the Service Agreement and the Original Annual Caps as set by the Company were disclosed in the Company's announcement dated 18 December 2014.

## **2. REVISION OF ANNUAL CAPS**

The historical transaction amounts under the Service Agreement for the period from 18 December 2014 to 31 December 2014, for the year ended 31 December 2015 and for the period from 1 January 2016 to 31 August 2016 were, RMB15,188, RMB2,810,145 and RMB2,162,648 respectively. As at the date of this announcement, the Original Annual Caps have not been exceeded.

In view of the increase in: (i) the number of new members recruited; (ii) number of member data processed in each month; and (iii) the sales amount arising from the purchases made by members of the New Point Cards in the period from 1 January 2016 up to the date of this announcement, the Original Annual Caps are expected to be insufficient and the Directors have therefore revised the Original Annual Caps as follows:

<b>Financial Year/Period</b>	<b>Original Annual Caps (RMB)</b>	<b>Revised Annual Caps (RMB)</b>
1 January 2016 to 31 December 2016	3,200,000	4,000,000
1 January 2017 to 17 December 2017	4,000,000	6,000,000

The Revised Annual Caps have been determined with reference to the historical transaction amounts under the Service Agreement, anticipated increase in number of new applications and anticipated increase in sales amount arising from the purchases to be made by members of the New Point Cards.

Notwithstanding the revision of the Original Annual Caps, all the terms and conditions of the Service Agreement remain unchanged.

## **3. REASONS FOR AND BENEFITS OF THE SERVICE AGREEMENT AND THE REVISED ANNUAL CAPS**

The Service Agreement was entered into to help the Company enhance services provided to its cardholders, enhance customer loyalty, improve sales and expand the cardholder database and enable the Company to run its business more efficiently. AIS has been providing reliable and satisfactory services to the Company for the AEON Cards and are familiar with the Company's operations and objectives.

The Directors have been carefully monitoring the historical transacted amounts and estimated transaction amounts under the Service Agreement. In view of the increase in: (i) the number of new members recruited; (ii) amount of member data processed each month; and (iii) the sales amount arising from the purchases made by members of the New Point Cards in the period from 1 January 2016 to the date of this announcement, the Directors expect that the Original Annual Caps will be exceeded and therefore revised and the Original Annual Caps.

The Directors, including all the independent non-executive Directors, consider that the terms of the Service Agreement (including the Revised Annual Caps) are on normal commercial terms, are fair and reasonable and in the interests of the Company and its shareholders as a whole and have been entered into in the ordinary and usual course of business of the Group.

At Board meetings convened to consider the Service Agreement and the Revised Annual Caps, Mr. Yoshiaki Mizushima, Mr. Hideaki Yajima, Ms. Yuki Habu and Mr. Shinya Wako were regarded as potentially having a material interest in the Service Agreement and accordingly abstained from voting on the relevant resolutions.
